(x) signage and cultural boards have been provided. Duty-

free shops at sea-ports

4160. SHRI NANA DESHMUKH : Will the Minister of TOURISM AND CULTURE be pleased to state:

(a) whether there is no duty-free shops in any Indian port;

(b) whether Government propose to set up duty-free shops at some of the sea-ports;

(c) if so, the names of such sea-ports; and

(d) by when, these are likely to be set up?

THE MTNISTER OF TOURISM AND CULTURE (SHRI JAGMOHAN): (a) Yes, Sir. Presently, there is no duty-free shop at any of the sea-ports in India.

(b) and (c) ITDC is exploring possibility of setting up of a Duty-Free Shop at Tuticorin Sea-Port.

(d) It is not nossible at this stage to indicate any time frame in this regard.

Research on Utilisation of Rain Water

4161. SHRI PRASANTA CHATTERJEE:
SHRIMATI CHANDRA KALA PANDEY :

Will the Minister of WATER RESOURCES be pleased to state:

(a) whether Government propose to promote the research on utilization of unutilized rain water to tackle the problems of water crisis in various parts of the country; and

(b) if so, the details thereof, State-wise?

THE MINISTER OF STATE IN THE MINISTRY OF WATER RESOURCES (SHRIMATI BUOYA CHAKRAVARTY): (a) and (b) The National Water Policy envisages need for intensifying research efforts in the areas of water harvesting and ground water recharge, water conservation, better water management practices and improvements in operational technology among others. The Government is also promoting rain water harvesting technology for utiliza' ion of rain water. Percolation tanks, check dams, gabion structures, dug well rec structure, recharge shafts, rooftop rain water collection are some of the means of rain water harvesting. Various innovations in water conservation by augmentation, efficient utilisation and water quality preservation have been
